Left Paragraph

The Fashion Design and Cosmetology Department at Bungoma Technical and Vocational College is committed to nurturing creativity, innovation, and professionalism in the beauty and fashion industries.

With a fully equipped design studio and beauty salon, students gain hands-on experience in garment construction, beauty therapy, and hairstyling techniques. Our experienced faculty members provide personalized instruction to ensure students acquire both technical skills and artistic expression.

We emphasize practical training, industry collaboration, and entrepreneurship to prepare graduates for successful careers in the fashion and beauty sectors.
